

KEANON SIMON

Keanon Simon, 24, is a center fielder from Allen, Oklahoma and attended Oklahoma State University prior to being drafted in the 25th round by the Pittsburgh Pirates in the 2007 draft. A force on the base paths, he played parts of two seasons for Pittsburgh before his release. This past year he played for the Amarillo Dillas of the United League where he won a league championship while batting lead off for the Dillas. His .350 average and 36 stolen bases were both team bests, and he looks to continue his efforts this off season with the Lake County Black Bears.
